

Year 2 Summer 1

To Infinity and Beyond

History

- the lives of significant individuals in the past who have contributed to national and international achievements. Some should be used to compare aspects of life in different periods – Neil Armstrong, Felix Baumgartner
- events beyond living memory that are significant nationally or globally – The First Moon Landing

D&T

- design purposeful, functional, appealing products for themselves and other users based on design criteria
- generate, develop, model and communicate their ideas through talking, drawing, templates, mock-ups and, where appropriate, information and communication technology
- select from and use a range of tools and equipment to perform practical tasks [for example, cutting, shaping, joining and finishing]
- select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics
- explore and evaluate a range of existing products
- evaluate their ideas and products against design criteria
-

PE

During this half term, children will be learning Athletics.

PSHE

During this half term, children will be learning about 'Relationships'.

Computing

'We are Astronauts' will be the unit the children will be covering this half term.

RE

During this half term children will be learning about worship and how a church is a special place.

Music

- use their voices expressively and creatively by singing songs and speaking chants and rhymes
- play tuned and untuned instruments musically
- listen with concentration and understanding to a range of high-quality live and recorded music
- experiment with, create, select and combine sounds using the inter-related dimensions of music.
