

# Year 3 Autumn 2

## Full Steam Ahead!

**Music** During this half term, children will be learning to:

- play and perform in solo and ensemble contexts, using their voices and playing musical instruments with increasing accuracy, fluency, control and expression
- listen with attention to detail and recall sounds with increasing aural memory

**D&T** During this half term, children will be learning to:

- use research and develop design criteria to inform the design of innovative, functional, appealing products that are fit for purpose, aimed at particular individuals or groups
- generate, develop, model and communicate their ideas through discussion, annotated sketches, cross-sectional and exploded diagrams, prototypes, pattern pieces and computer-aided design
- select from and use a wider range of tools and equipment to perform practical tasks [for example, cutting, shaping, joining and finishing], accurately
- select from and use a wider range of materials and components, including construction materials, textiles and ingredients, according to their functional properties and aesthetic qualities
- investigate and analyse a range of existing products
- evaluate their ideas and products against their own design criteria and consider the views of others to improve their work

**History** During this half term, children will be learning to:

- a study of an aspect or theme in British history that extends pupil's chronological knowledge beyond 1066

**PE**

During this half term, children will be learning gymnastics.

**PSHE**

During this half term, children will be learning about 'Celebrating Differences'.

**Computing**

'We are Programmers' will be the unit the children will be covering this half term.

**RE**

During this half term children will be learning about Christmas customs around the world.
