

Dear Parents/Carers

All classes now have an email address linked to their class page.

This can be used to share pieces of work that are being completed so that the teacher can see how learning is progressing.

You will be able to ask the teacher questions about the learning too if you need to.

Teachers will be able to respond to these emails when classes are working remotely with online learning.

Please note that emails may not get a reply before 9.30am or after 3.30pm as teachers will also be working to get lessons online.

Staff will not be able to answer emails at the weekend.

The addresses are:

nursery@st-martins.sandwell.sch.uk

Reception@st-martins.sandwell.sch.uk
