School Uniform Policy

September 2026

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment. To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons
- Allow pupils to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with the head teacher, who can answer questions about the policy and respond to any requests

Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform. We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost on a non-profit basis
- Provides the best value for money for parents and carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics to our school jumper and cardigan
- Avoiding specific requirements for items pupils could wear on non-school days, such as world book day.
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler.
- Avoiding different uniform requirements for different year/class/house groups
- Avoiding different uniform requirements for extra-curricular activities
- Making sure that arrangements are in place for parents to acquire second-hand uniform items

- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.

Expectations for school uniform

Our school uniform consists of:

- A royal blue hoodie, jumper or cardigan. Hoodies, jumpers or cardigans with logos are preferred, but are not mandatory.
- Dark Grey or black bottoms – these can be trousers, skirts, pinafores, leggings, joggers or shorts (minimum mid thigh length).
- A blue summer dress can be worn.
- White shirt or polo T-shirt.
- P.E kit. A white T-shirt, black leggings/jogging bottoms or shorts.
- Swimming kit – swimming costume, swimming hat.
- Some children may choose to wear a head scarf for religious reasons and this should be navy or black in colour.
- Earrings should only be studs and removed for P.E or swimming lessons
- Black shoes or trainers

Children with specific needs

The school recognises that some pupils may experience sensory processing difficulties or other additional needs that affect their ability to comfortably wear standard uniform items. In such cases, reasonable adjustments to the uniform policy may be considered to support the pupil's wellbeing, comfort, and access to learning. Any adaptations or exceptions to the school uniform requirements should be discussed and agreed in advance with the school SENCo, in partnership with parents/carers and, where appropriate, the pupil. Adjustments will be considered on an individual basis and reviewed periodically to ensure they continue to meet the pupil's needs while maintaining a sense of inclusion within the school community.

Where to purchase uniform:

- You can purchase our uniform from all major supermarkets and branded items are available from a range of retailers and online (these are listed on our website).
- Non branded hoodies can be ordered directly through school.
- We have introduced a second-hand uniform shop in school. Please speak to the school office about accessing second hand uniform.

Expectations for our school community

Pupils are expected to wear the correct uniform at all times (other than specified non-school uniform days) while:

- On the school premises
- Travelling to and from school
- At out-of-school events or on trips that are organised by the school, or where they are representing the school (if required)

Pupils are also expected to contact the headteacher if they want to request an amendment to the uniform policy in relation to their protected characteristics.

Parents and carers

Parents and carers are expected to make sure their child has the correct uniform and PE kit, and that every item is:

- Clean
- Clearly labelled with the child's name

Parents are also expected to contact headteacher if they want to request an amendment to the uniform policy in relation to:

- Their child's protected characteristics
- The cost of the uniform

Parents are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner. Disputes about the cost of the school uniform will be:

- Resolved locally
- Dealt with in accordance with our school's complaints policy

The school will work closely with parents to arrive at a mutually acceptable outcome.

Staff

Staff will closely monitor pupils to make sure they are in correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply, but will follow up with the headteacher if the situation doesn't improve.

Ongoing breaches of our uniform policy will be dealt with discussion with parents and pupils to identify the reasons why.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

Governors

The governing board will review this policy and make sure that it:

- Is appropriate for our school's context
- Is implemented fairly across the school
- Takes into account the views of parents and pupils
- Offers a uniform that is appropriate, practical and safe for all pupils
- The board will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money.

Monitoring arrangements

This policy will be reviewed annually by the headteacher and school council. At every review, it will be approved by the full governing body.
