Key Indicator 1: The engagement of all pupils in regular physical activity - Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school

Intent	Implementation		Impact	Sustainability
To engage all pupils in regular physical activity.	At lunchtime, our Sports Coach leads a range of games and activities in the playground and encourages groups of children to take part. Sports Coach also delivers 'play leader' sessions to small groups of upper KS2 children so that they can lead games and activities on days that he is not in school.	£14,430 (Package provided by VC Coaching)	Children can now play more effectively in groups during lunch and breaktimes.	The Sports Coach will continue to train a group of children from each class as 'Play Leaders' to help organise and provide encouragement for all pupils to participate in physical activity.

Key Indicator 2: The profile of PESSPA (Physical Education, School Sport and Physical Activity) being raised across the school as a tool for whole school improvement

Intent	Implementation		Impact	Sustainability
To raise the profile of PE and sport across the school.	Sports Coach to assess the children throughout the year and provide an end of year report for each child.	£14,430 (Package provided by VC Coaching)	Children can reflect on and discuss their PE learning at home using their report.	The Sports Coach will work with class teachers to assess children throughout the year using the school assessment document and use this to inform the end of year report that is sent home to parents.
To raise the profile of Swimming as part of the National Curriculum.	Year 6 to have 'top up' swimming lessons.	£1,055	Children have the opportunity to meet the 3 National Curriculum requirements for swimming and water safety.	Swimming lessons will be taught in years 3, 4 and 5 with additional 'top up' lessons for year 6 in future years.
