Look through your books to remind yourself...

Who is Roy Lichtenstein?

What did he do?

What kind of art did he create?

Art Task

Look at the picture of Roy Lichtenstein's famous 'WHAM!' drawing.

What colours has he used?

What shapes has he used?

Do you think he used a pencil, paint or something else?

Today you are going to be creating your own version of this piece of art.

First, you need to think about:

- What word will you use? (Try to use a word that sounds like a sound - an onomatopoeia)
- What colours will you use?
- What shapes will you use?
- What will you use to create this piece of art - pencils, pens, paint etc.?

Note down your ideas in your lined book...

Now channel your inner Roy
Lichtenstein and start creating your
masterpiece!

*If you have plain paper, I would use that instead of
doing it straight into your book! If not, using your
book is fine 😊*

*When I am creating artwork, I like to put on peaceful
music. Try it! It is very relaxing.*
