

Year 1 - Information

Our learning for this half term is linked, wherever possible, to:
'Moon Zoom'

New 'Rising Stars' online reading books are assigned every Friday

Please see your child's school email address to access their Rising Stars login and a link to the site. 4 books are assigned each week, the expectation is that children read at least 3 of these stories.

Morning - 'Teams' Learning

There are 2 Teams sessions each morning for children at home; Maths 9:15 - 10:15, Phonics and Literacy 10:45 - 12:00.
(Lessons differ on Wednesday, times remain the same)

Afternoon - Uploaded Activities

Each afternoon there will be activities set for your child to do.

Please ensure you send your child's work to us via the Teams chat function.

Thank you for your hard work and co-operation so far!

Miss Porter, Year 1 Teacher

Term: Spring 2 2021

Science

This half term we will be investigating the planets within the solar system. We will learn the names and the order of the planets, as well as the colours, sizes and surface types.

History

We will be learning about two explorers - Christopher Columbus and Neil Armstrong. Why are they remembered today? How are they similar? How are they different? What did they achieve?

DT

We will be designing and creating our very own rocket. We will identify suitable resources by experimenting with different materials.

PSHE - 'Healthy Me'

RE - Why does Easter matter to Christians?

Maths

This half term we are going to consolidate our learning from Spring 2, particularly Place Value. Then we will be moving on to learning about measurement - length and height, and weight and volume.

We will then go on to consolidating our learning.

Literacy, Phonics and Guided Reading

In Year 1, we are working very hard on our Phonics. Each day we learn a new sound, recap previous sounds and practise blending our sounds into words.

We are developing our language and understanding of Literacy through reading, discussing and understanding stories. We talk about characters, their appearance, what they are like, how they might be feeling, why etc.

Our stories this half term are 'Beegu' and 'Baboon on the moon'; we will be basing most of our lessons on this story!

We will be doing guided reading activities at least 3 times a week.
