Caring, Learning  
and Smiling Together

4<sup>th</sup> January 2022

Dear parents/carers,

I am delighted and honoured to have been appointed as the new headteacher for St. Martin's and I am very keen to get to know the families in the community. I have had the opportunity to introduce myself to the children today and am excited to be working with you all moving forward.

From my experience of teaching and leading in Sandwell and Birmingham, I know that a successful and happy school depends on all of us working together. St Martin's is already a wonderful place to be, but we will still continue to work hard on getting better each and every day. Your feedback is a valuable and essential part of this process, so please approach me with anything that you feel we can do even better.

Parents make an important contribution to children's achievements at school and I want to continue to develop the relationship between the school and parents for everyone's benefit.

I plan to hold events over the coming term to meet you, discuss the building of a successful partnership and to share my vision for the school. I will endeavour to offer a range of times and dates to give everyone the best opportunity to attend. Details of these events will be sent out over the coming weeks.

I will be available on the gate so please do say hello and pass on any feedback, whether positive or constructive.

I look forward to working with you all in the weeks and years to come.

Mr Seex
